PLACEMENT SCHEMES

We offer Easter placements in Edinburgh and London, and summer placements in Aberdeen, Edinburgh, Glasgow, Leeds, London and Manchester. And because everyone is an individual, we make sure each placement is a valuable experience for each individual student.

While you are here, you will get to know the everyday life of an Addleshaw Goddard trainee. You will be allocated a department to sit in and will be supervised by an experienced solicitor. A trainee buddy will be on hand to help throughout your placement.

This is a scheme as unique as you are. As well as informative sessions, group exercises, assessed work and plenty of time at your desk, you will attend social events with a range of people across the office. It's a real chance to get to know our people and our culture. We offer training contracts to successful placement scheme students, so we'd encourage you to apply.

APPLICATION DETAILS

To apply for our Placement Schemes please complete an application form from 1 October - 4 January which can be accessed on our website.
